October 2004

The President's Post

By Mike Kline

Fall is finally upon us. Along with colder weather, raking leaves, and scraping windows comes our 2005 officer nominations and elections

Every club member in good standing is entitled to vote in the elections as well as run for office. The job doesn't pay very much, just the cost of one year's renewal fee - but that's not the point. Being a CAR officer gives you the chance to better the club and make new friends while you're at it. The elected positions will be for President, Vice-President, Treasurer and Secretary. None of the positions are very difficult and they only take a couple of hours out of the month to do. So if you think you or someone else in the club would make a good candidate, now's your chance to help out the club. Keep an eye on the forum for the "Nominations" thread to pop up or drop me an e-mail with your nominee (president@blueroadster.phpwebhosting.com).

This month's Tech Day will be held at Brad's place in Bowie. If you've never been to Brad's, you won't want to miss it. He has a two car garage with air tools and plenty of driveway space for your Miata wrenching needs. We'll kick things off at around 10am and, with as many projects as we have currently planned, will probably go on into the night hours. So grab some tools, a side dish and your beverage of choice and head on out to Brad's place on October 9th. Look for details and directions in the Events section of the forum or the Upcoming Events section on page 5 of the newsletter.

Do you love wine or just taking a relaxing Sunday drive on a crisp October day? Good. It's time for the 2nd annual Scenic Drive and Winery Run! We'll meet up in Sykesville for a 10am departure. Then we'll head out through some great scenic roads and peep leaves on the way to the winery. Once there we'll take a small tour and then taste plenty of wine before making our final selections. On the way back to the park and ride we'll stop and have lunch at E.W. Beck's Pub in Sykesville. Check out the Events forum for details.

This month's meeting will be back at Rocky Run restaurant in Columbia. They have a great menu and even better beer. The meeting will get started at the usual 7pm and carry on until we all get too cold from standing out in the parking lot chatting. So bring your questions and comments along with your appetite to Rocky Run. See you there.

It's almost the end of the autocross season but there are still a couple of events left. All you need is a driver's license and \$25 to legally test the limits of your car. Check the Motorsports section of the forum for all the latest info and events. Time is running out for the season, so sign up for one now!

Democracy in action

Not only is it a Presidential election year on the national level, but it's also time once again for the terms of the current CAR club officers to come to an end. However, since this club is an equal opportunity democracy, if you're a member in good standing and you'd like to run for an officer position, or would like to nominate someone, then we urge you to consider it. It's a small commitment, and a really great opportunity to not only meet other Miata enthusiasts, but to help make the club that much better.

For your reference, below is a list of the officer positions and their functions. If you have any specific questions, please feel free to contact any of the current officers listed below.

- 3. The Secretary shall keep minutes of the General Membership and Executive Board meetings, shall keep records of the membership, shall maintain a record of attendance for all meetings, shall be responsible for the preparation and mailing of all meeting notices and other club literature, shall furnish each member with a copy of these bylaws and their amendments as they occur, and shall maintain a file of minutes and records of past years. Pay approved bills, collect all dues and other monies from any and all sources and issue receipts, shall keep books of accounts and make a financial report at all club meetings, shall further make an annual financial report showing all income and disbursements at the last meeting of his or her term. At the last meeting of his or her term, shall turn over the records of the past year for the club files.*

Positions such as **NEWSLETTER EDITOR** and **EVENTS COORDINATOR** are appointed positions, so if you

think you'd be interested in either one of those, then please talk to any one of the officers.

Elections will be held at the Annual Membership Meeting in December, so please feel free to drop any of us a line or ask questions, and please consider running for office.

New CAR Club Members

If you've been on the forums or been out to a recent club event, you've no doubt seen a bunch of new members and new cars. So if you see someone you don't know, make sure to go introduce yourself, whether it's your first event or you're a regular. After all, the CAR Club is already well known for our hospitality!

Membership Renewals

Just a reminder from the Membership Committee that membership renewals are coming up for some club members, so be sure to renew today so there's no lapse in your CAR Membership. Dues are still just \$25, and can be paid via cash, check or even Paypal. Reminder e-mails have gone out, but if you have any questions about your membership, feel free to drop a line to JD Veray at secretary@blueroadster.phpwebhosting.com or Jay DeLeyos at treasurer@blueroadster.phpwebhosting.com and they'll be happy to help you.

Recent Sightings

Found a Miata in a junkyard or under a tarp in somebody's back yard? Post it here! We'll even take referrals on entire cars. Just make sure you include the pertinent information (location, phone numbers, price, etc.), and send it to the newsletter staff at info@blueroadster.phpwebhosting.com.

Monthly Miata Meetings

As many of you know, we're holding monthly meetings every third Thursday at 7:00pm to not only grab something to eat, but to discuss everything from club business to Formula One racing to whatever. This is a great opportunity for anyone who would like to come out and meet some of the members in a casual environment, and you don't even need to wash the car. Plus, it'll give you a chance to talk directly to the club administrators with your input or questions.

So bring a friend, a family member, or a new Miata owner, but most importantly, bring yourself out to one of our monthly membership meetings! See the upcoming events section below for this month's location. **IF YOU HAVE A SUGGESTION FOR A PLACE TO HOLD THE MEETING, DROP A LINE TO ANY OF THE OFFICERS.**

Events with other clubs

The idea has been brought up to see about doing an event or two with another car club. Not necessarily another Miata club, but perhaps a Triumph club, Jaguar club, etc. As you can probably assume, there are quite a few car clubs in the area, so if you're a member of one, know someone who is, or just think of one that would be cool to spend the day with (I'm leaning towards Ferrari, myself!), then feel free to drop us a line with the contact info, and we'll take it from there.

'The Parts Department' - your source for all your CAR club needs

The "Parts Department" is back online, and open for business! We have T-shirts. We have sweatshirts. We have hats. We have clocks. We have oversized "holy-crap-that's-a-lot-of-coffee" coffee mugs. And they all come with the official CAR Miata club logo in full living color. So if you're looking for some great new Miata club swag, check out the online store at <http://www.cafeshops.com/chesroadsters>.

It's not too late for a plate!

If the Maryland MVA can give us a straight answer on what we need to finalize this process, we should be in the very final stages of taking orders for and getting the new plates.

And if there was ever a reason to put a plate back on the front of your car, this is it. Through a special program with the Maryland MVA, we've been able to apply for special CAR Miata Club license plates! A sample plate is shown below. Pricing should be around \$25 per set, and you can even put a set on your other non-Miata vehicles! Also, if you've just renewed your registration, the MVA tells us they'll issue you another inspection decal for the new plate. We're currently taking names, so if you're interested, contact:

A Place to Race

If you've gone to any autocrossing events this past year, you've probably heard one of us (or someone else) griping about the lack of racing sites in the area. "So what can I do?" Glad you asked.

The autocross community is always on the lookout for new venues where we can race. In a perfect world, they'd be smooth, flat, free of traffic islands, and about 20 miles away from a residential area. Event organizers realize not all

these parameters can always be met, but there's been a plea to the community to help find some new sites where we can go racing. Maybe it's the parking lot at work. Or a big school parking lot. Or your friend's airfield.

So if you know of an area that you think might be a possibility, PLEASE let one of the officers know, and we'll have one of the local officials check it out.

If you're interested in participating in autocross this year or have any questions, please drop a line to Jay DeLeyos (jaymond - treasurer@blueroadster.phpwebhosting.com), Ben Harper (djarum69 - webmaster@blueroadster.phpwebhosting.com), or Mike Kline (GoKart - president@blueroadster.phpwebhosting.com).

Become a famous, published author!

Have you just completed a cool project on your Miata that you want to share with other club members? Did you attend an event that was so cool you want to write an article about it? Find a new road that seems like it was designed *just for* Miatas? Got an idea for a future event or article? Then drop us a line and we'll put it in next month's issue. The submission deadline for the November newsletter is October 26th. All submissions can be sent to Christian LeHew at info@phpwebhosting.blueroadster.com.

Past Events & Happenings

Thursday, September 16th – Monthly member meeting

What do you get when you have 21 people, 16 Miatas, and a Mazda3 in Columbia? The monthly membership meeting at Rocky Run. In fact, it's getting difficult to tell if the best part of the meeting is inside the restaurant or outside in the parking lot! Either way, it was still a great time, and it was great to see several new members out to join us. Next month's meeting is back at Rocky Run in Columbia, so mark you calendars and come spend a fun night out with the CAR group!

Saturday, September 18th – Tech Day

Even though he's a Honda guy, it's hard not to like Jay DeLeyos. And when he invites the club over for a tech day with air tools and a 1st-gen Integra to abuse, he's even more likeable. It turned out to be a great day with a new exhaust system installed, a smaller supercharger pulley, and a timing belt change all being accomplished. But all that seemed so insignificant compared to Jay's mother's Filipino food. Thanks again to Jay for letting us come by and spend the day.

Upcoming Events

Please RSVP where indicated. For full details, check out the Events section of the CAR forum at <http://www.chesapeakeroadsters.com>. If you have an idea for a future event, please drop a line to Mike Kline at president@blueroadster.phpwebhosting.com.

Sunday, October 3rd 2004 – WDCR/SCCA Championship #7 Autocross

Look for more details on the CAR club forum, or just come out to Fed Ex Field and cheer on your fellow club members! If you're interested in participating in autocross this year or have any questions, please drop a line to: Jay DeLeyos (jaymond) - treasurer@blueroadster.phpwebhosting.com or Ben Harper (djarum69) - webmaster@blueroadster.phpwebhosting.com).

Saturday, October 9th – Tech Day

It may be the last one of the season (unless anyone wants to volunteer their heated garage), and the Albert's have graciously once again opened up their home and garage door to the CAR club. Tech days at Brad & Kristy's are always a club favorite, so grab your tools, bring some grub, and head over to Brad's for CAR's usual brand of wrenching, eating, and general shenanigans.

DIRECTIONS TO BRAD'S (FROM THE NORTH):

RT. 3 South through Crofton

Make a right on Rt. 450

Follow 450 through Bowie, Past HS. etc..

Cross Rt. 197 then your next light is Church Road.

Make a left onto Church Road (look for the Shell station)

Church road will wind through some S turns then make a hard right.

Don't get to excited about the hard right because right at the apex of it you will need to make a left on to Old Stage Road!

Make you second Right on to pleasant View Drive. Follow that to Heatherstone.

We're at the corner of Heatherstone and Pleasant View drive.

or Ben Harper (djarum69) - webmaster@blueroadster.phpwebhosting.com).

Sunday, October 17th 2004 – Scenic Drive/Winery Tour

Due to the overwhelmingly popular demand, Christian will once again be leading a group on a drive through Carroll and Frederick Counties to a local winery (or two) in central Maryland. Afterwards, we'll be stopping for lunch at E.W. Beck's Pub in Sykesville, also by popular demand. We'll be meeting at the Park & Ride at Rt. 32 and Rt. 70 in Sykesville for a 10am departure. Afterwards, we'll grab some lunch at E.W. Beck's Pub in Sykesville. **Please RSVP to Christian no later than October 14 if you plan to attend.**

Thursday, October 21st 2004 – Monthly membership meeting

Monthly member meeting, 7:00 as usual. This month, we're heading back up to Rocky Run restaurant just off I-95

in Columbia. Just ask the hostess for the Miata Club table. As usual, bring any ideas you may have for the coming year, your enthusiasm, and any questions or concerns you may have.

It's located near the intersection of Dobbin Road and Rt. 175 (Little Patuxent Parkway) and just off 95. Follow 95 to the exit for Rt. 175 towards Columbia. Go about three lights, and make a left onto Dobbin Road. Make a right at the first light (you'll see the Rocky Run and a Mr. Tire on your right), and follow the driveway back to the sharp right turn, and turn right into the parking lot.

Sunday, October 24th 2004 – MWCSCC Autocross at Rosecroft Raceway

Saturday, November 6th 2004 – Mystery Event

So what's going on? You'll just have to find out for yourself.

There's a good possibility it'll be a light (and cold) tech day.

But there's an even better possibility it'll be something you won't expect. But don't worry, it'll be fun and won't even get you in trouble with the wife.

Either way, make sure you mark down Saturday, November 6th for an event at Mike Kline's place in Crownsville, and be sure to be there around 10am with your Miata.

As usual, feel free to bring any food, drinks, or fun motorized vehicles to share with the group. Directions to Mike's are below. His house is pretty easy to get to, just be careful about his driveway where it meets the road. You'll probably want to take it at a pretty good angle. The house is green, and has a red garage behind it. When you pull up the driveway, you can park your car on the left side on the grass. For you MapQuesters, his address is 1218 Generals Highway, Crownsville MD 21032.

Directions from 695:

- Take 97 south toward Annapolis (12 miles)
- Take MD-178 (Generals Hwy), exit #5, toward CROWNSVILLE
- After getting on the exit ramp my house is the first one on the right (about 1/2 - 3/4 mi). The driveway before the black mailbox.
- If you make it to the 1st traffic signal (Herald Harbor rd.) you went too far.

Directions from 495:

- Take 50 east toward Annapolis (10 miles)
- Take 3 north, exit #13, toward Baltimore / Crofton (9 miles)
- Take 97 south exit toward Annapolis (1 mile)
- Stay in the far right hand lane and take the 1st exit (MD-178 - Generals Hwy), exit #5, toward CROWNSVILLE
- After getting on the exit ramp my house is the first one on the right (about 1/2 - 3/4 mi). The driveway before the black mailbox.
- If you make it to the 1st traffic signal (Herald Harbor Rd.) you went too far.

Directions from the East (Annapolis Mall):

- Take West St. west toward the Annapolis Mall

- In front of the mall West St. turns into Generals Hwy.
- Stay straight on Generals Hwy. (178) for 5 miles
- My house is just past the Herold Harbor Rd. traffic light on the left (across from the Shell station)

Directions from the West (Columbia):

- Take 32 east (10-12 miles)
- When 32 east turns into 97 south, take the 1st exit (MD-178 - Generals Hwy), exit #5, toward CROWNSVILLE
- After getting on the exit ramp my house is the first one on the right (about 1/2 - 3/4 mi). The driveway before the black mailbox.
- If you make it to the 1st traffic signal (Herald Harbor Rd.) you went too far.

Thursday, November 18th 2004 – Monthly membership meeting

Monthly member meeting, 7:00 as usual. This month, we're heading back up north to Tully's Restaurant near White Marsh. As usual, bring any ideas you may have for the coming year, your enthusiasm, and any questions or concerns you may have. As usual, just ask the hostess for the Miata club table. And rumor has it that Thursdays is Prime Rib night...

Last I checked, their website was down. For you MapQuesters, the address is 7934 Belair Rd., Nottingham, MD 21236.

DIRECTIONS:

Take 95 to 695 north of Baltimore. Take 695 west towards Towson. Take the first exit, which is #32B towards Bel Air (Route 1 North). Go to the 1st light, and Tully's is in the shopping center on the left. If you get lost, their number is 410.665.9100.
